

EcoFlow BLADE

We're revolutionising lawn care by going beyond the mow. Blade not only offers hassle-free, cutting-edge lawn mowing, but combines AI with a handy never-seen-before sweeping tool that cleans your lawn of leaves, twigs and other garden debris. You can just let it mow and focus on the important stuff.

BLADE

Let it Mow

EcoFlow Introduction

EcoFlow is a leading company in eco-friendly energy solutions with the vision to power a new world. Since its founding in 2017, EcoFlow has become a reliable and trusted energy company for individuals and families across the world, providing accessible and renewable power solutions for homes, outdoors, and off-grid living. Today, with operational headquarters in the USA, Germany, and Japan, EcoFlow has empowered more than 2 million users in over 100 regions worldwide.

Automatic lawn sweeping

A perfectly manicured lawn is more than just about the cut, so BLADE comes with an add-on kit that clears your garden of leaves and other debris.

Smart obstacle avoidance

With cutting-edge X-Vision technology, BLADE avoids obstacles by quickly re-routing. You'll never get stuck or miss a cut. That's unlike any mower on the market.

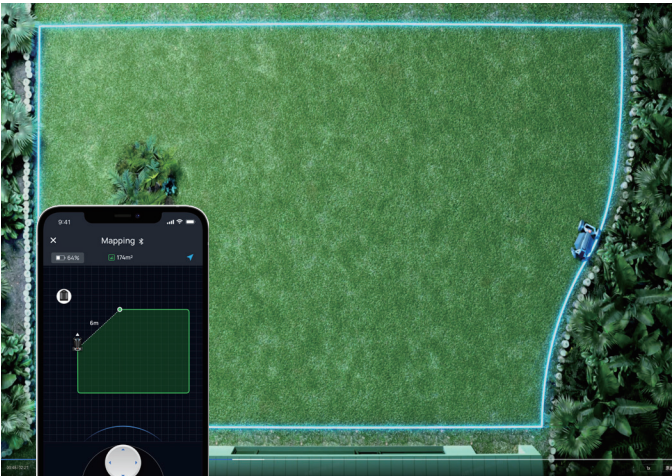

Scenarios

No wiring with a virtual boundary

We're all about making work light, so you can set a virtual boundary right from the EcoFlow app, without the need for any wiring. Once BLADE's set to work, it'll auto-plan a route, cutting your lawn just right. Every single time.

Industry-first design for enhanced cutting performance

Wide cutting width.

BLADE's additional width offers a cutting distance of over 26 cm, cutting more in less time.

7.8 in / 20 cm omnidirectional front wheels.

With its wide, sturdy design, BLADE effortlessly traverses rough terrain, manoeuvring rocks of up to 4 cm and ascending 50% slopes.

Cuts between 0.8 - 3.0 in / 2 - 7.6 cm

To top it off, BLADE has a vast 2-7.6 cm grass-cutting range, adjustable in seconds using the app.

Specifications

General information		Mowing Specifications	
Product Name	EcoFlow BLADE	Cutting Height	Cutting Width
		20-76mm/0.8-3 in	260 mm/10.2 in
Net Weight	16.2 kg/36 lb	Climbing Ability	Cutting Area (GPS Signal)
		27°	Up to 3000 m²
Noise Level	≤62dB	Fully-Charged Working Time	
		240 min	
Recharge Time	130 min		
Environmental Operating Temperatures		EcoFlow Lawn Sweeper Kit	
Operating Temperature	32°F-113°F/0°C-45°C	Dimensions	Container Capacity
		622×457×388 mm	0.03 m³
Discharging Temperature	32°F-140°F/0°C-60°C	Sweeper Width	
Charging Temperature	32°F-113°F / (0°C-45°C)	346 mm	
Storage Temperature	-4°F-140°F/-20°C-60°C
