

Fed up with Stinky Heads & Hoses?

SeaSmart is the answer, the intelligent automatic marine toilet sanitiser that really works - even when you're not on the boat!

SeaSmart owners know how good it feels when their boat, its head and hoses are hygienic and free from marine toilet odours and germs, even when they return to their boat after weeks.

- Keeps head and hoses hygienic and free from marine toilet odour
- Quick and easy to install
- Lovely blue sanitised flushing water
- Includes SeaSmart sanitiser pouch
- Comes complete with instructions, installation kit and battery
