

## Portable Air Conditioner

# EcoFlow WAVE 3

---

- **Up to 8 hours of wireless comfort**

Enjoy continuous comfort with the add-on battery offering up to 8 hours of usage.

- **Quickly cool or heat your space**

Experience quick relief with 6100 BTU cooling (15°F / 8°C drop in 15 min) or 6800 BTU heating (17°F / 9°C increase in 15 min).

- **Hassle-free installation**

The insulated exhaust duct ensures simple, adaptable installation for any outdoor setup.

- **Seamless control with the EcoFlow app**

Use the app to adjust settings from your phone, even when you're far away.

- **More ways to power up**

Multiple charging options ensure you can keep your WAVE 3 running and enjoy uninterrupted fun.

## Specifications

### EcoFlow WAVE 3

#### Dimensions

Dimensions:	20.4×11.7×13.2 in (519×297×336 mm)
Net Weight:	Approximately 15.6kg

#### Others

IP Rating:	IPX4
Noise Level:	44-58 dB
Remote Control App:	Wi-Fi (2.4G, 5G), Bluetooth
Run Time with EcoFlow Add-On Battery:	2-8 hr

#### Cooling and Heating

Cooling Capacity:	6100 BTU (1800W)
Heating Capacity:	6800 BTU (2000W)
Refrigerant/Amount:	R290/0.25 lb (R290/112 g)
Air Volume:	3.24 ft <sup>3</sup> /s (330 m <sup>3</sup> /h)
Rated Cooling Power:	(AC/DC) 690W/640W
Rated Heating Input Power:	(AC/DC) 645W/606W

### EcoFlow WAVE 3 Add-On Battery

#### Dimensions

Net Weight:	Approximately 21.4 lb (9.7 kg)
Dimensions:	20.3×11.1×4.4 in (516×281×111 mm)

#### General

Battery Capacity:	1024Wh 51.2V 20Ah
Battery Chemistry:	LFP
Cycle Life:	80%+ capacity after 4000 cycles
Input:	1000W max
Output:	858W max
